The 3 Jars

You just earned some  walking the neighbor's .
You also have a few  left over from your  .

Where will you put all of your ?

You can put it in your , but that means all your  will be in one place. What if you want to split it up?

Here's how you can do that.

Find . Label one **SPEND**. Label another one **SAVE**. And label the third **GIVE**.

Use the **SPEND**  for all the  you want to use NOW or very soon.

Use the **SAVE**  to keep all the  you want to put away for something big that you want to buy in the FUTURE.

And use the **GIVE**  for all the  you want to give to charity.

Now, whenever you earn or receive  as a  you can divide it among your 3 . This way, you'll have some  set aside for now, some for the future, and some to  with others.
